

SIGNATURE WORKSHOP

# Team Culture Workshop

This workshop is a hands-on way for your whole team to come together and co-create their team culture using the acclaimed Emotional Culture Deck. These cards are an insanely simple tool to facilitate structured face-to-face conversations around workplace culture and employee experience.

The workshop's objective is to map your team's emotional culture, explore how you support each other, and the way you work together.

## In the three hour workshop we'll:

- Map the emotional culture of your team and define the way you work together
- Help you better understand your colleague's/team member's personal motivations, needs and fears at work
- Enable powerful conversations and bottom-up culture change
- Build greater empathy for others in your team and organisation
- Design a measurable cultural canvas to help the team stay focused and set for success
